## WORK EXPERIENCE

### Amazon (ABE8 Distribution Center)

*Fulfillment Center Flex Associate*

Florence, NJ

*July 2025 – Present*

- Maintained a steady processing rate of around 120 units per hour while ensuring order accuracy, working across multiple stations within the fulfillment center.
- Sorted and routed products to the correct totes, reducing misplaced inventory and supporting on-time order fulfillment.
- Monitored equipment and work areas for proper function and safety compliance, flagging issues before they affected throughput.

### Six Flags Great Adventure

*Ride Operator*

Jackson Township, NJ

*June 2025 – August 2025*

- Operated attractions in accordance with safety protocols, performing pre-opening inspections to confirm rides were guest-ready.
- Managed guest queues to keep wait times predictable during peak attendance, coordinating with fellow operators to keep ride areas clean and welcoming.
- Communicated ride rules and safety instructions clearly to guests of varying ages, helping ensure a smooth, incident-free experience.

## LEADERSHIP & ACTIVITIES

### South Asian Student Association (SASA), Rowan University

*Member*

Glassboro, NJ

*September 2025 – May 2026*

- Participated in club-organized cultural events and contributed service hours for children's hospitals.
- Made sandwiches and handmade cards for local service projects as part of club volunteer hours.

### Financial Management Association (FMA), Rowan University

*Member*

Glassboro, NJ

*September 2025 – May 2026*

- Attended financial management-focused meetings for networking and connections.
- Supported a device donation drive by making cards and helping prepare items for distribution.

## ADDITIONAL INFORMATION

### PNC — Banking at PNC: Building Career Skills (Forage Job Simulation)

September 2026

- Completed a job simulation in client relationship management and data-driven analysis for PNC's banking teams, practicing consultative communication with small-business clients.
- Analyzed investment portfolio data in Excel to assess performance and risk, summarizing findings for non-technical stakeholders.
- Strengthened critical thinking and clear written communication across client-facing and analytical contexts.
